

Welcome to Seguin ISD Parent Self Serve
<https://teams.seguin.k12.tx.us/selfserve/parents>

Existing Users select [Click here to Log in](#)

This parent information system will allow you to see attendance, and grades for your child/children. ALL parent/guardians who are first time users of PSS will select New Users to create a new account. Returning **users** will use the Existing Users link to log in.

You will be prompted to create a user ID (make it unique ex. cervantes2010) and a password (make it unique) with a security question/answer of your creation for validation in the event of a forgotten password.

To register and be authenticated, you must enter the following information for one of your children.

Parent/Guardian last name and first name (same as you entered on school registration forms)

Student school ID #

Student last name

Student first name

Student Birth-date (mm-dd-yyyy)

Student Social Security number / State ID (no dashes)

All of your children will appear under this account if they are connected properly in TEAMS.

If there is a mismatch (such as you use a variation or different name) the authentication process will fail and you will need to contact the campus data clerk to resolve the error. Once the data has been corrected, you can go online to register and be authenticated.

If you have difficulty registering or your account does not display all of your children, please send an email to sisdgrades@seguin.k12.tx.us.
