

Seguin Early College High School & P-TECH Summer Bridge Program July 2024

The Summer Bridge Program is designed to introduce incoming 9th graders participating in the Seguin Early College High School program and the Seguin P-TECH Academy. Students will be exposed to a variety of college readiness activities, including an in-depth tour of a college campus. This program will help prepare students for their first year as an Early College High School student, and for some, their first year in dual credit courses.

Summer Bridge activities include:

- Team Building
- Academic Workshops using AVID Strategies
- College Success Workshops
- Goal-Setting and Strategic Thinking
- Test-Taking Strategies
- College Tour
