

### *Spring is in the Air!*

The elements of visual art including line, color, tone, shape, texture, pattern, and form are filling art classes at all levels! Check out some of these great examples of student work from SHS that recently competed at the VASE (Visual Arts Scholastic Event) regional contest:

24 Medals were earned by Seguin HS art students at the event! 18 students earned a 4 out of 4 (perfect rating) for their art works, including *Kylie Perez* who is advancing to the VASE State event. Congratulations to these students and their teachers!

The visual art team of Seguin ISD continues to be creative in finding ways to engage students and bring out their best.

*Did you know* that the study of art has been linked to:

- Enhanced critical thinking skills
- Improved fine motor skills
- Enhanced problem solving skills
- Heightened sense of creativity
- Improved ability to express ideas
