Dear Seguin ISD parents,

We are writing to inform you of student seating arrangements and expectations at Seguin High School and middle school athletic events, and to ask for your support in their implementation.

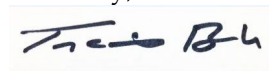

- Please exhibit good sportsmanship at all events, serve as friendly hosts to visiting teams and polite visitors at away games. Our fans represent our schools and our community.
- Unless sitting with a parent, students in grades 6, 7 and 8 should sit in the designated 12th Matador area at the north end of the visitor side in Matador Stadium. These students will have access to concessions and restrooms and will be expected to immediately return to their seats in the bleachers or to the stands with their parents.
- All elementary students should be accompanied by and seated with an adult in the reserved seat area (if student has a reserved seat ticket) or general admission area (with a general admission or student ticket). Middle school students are not considered supervising adults for elementary students.
- Backpacks and skateboards will not be permitted into any event. They will not be stored or "held" for any student or person entering an event.
- Please be mindful and respectful of the people around you at extracurricular events in regard to noise level, horseplay and frequent trips to and from the stands.
- All students need to stay in their seats during the game. For safety, courtesy and enjoyment of the game, students cannot loiter behind or underneath the bleachers.
- Once inside, students are not allowed to go in and out of the stadium gates. Once they leave, they cannot return unless another ticket is purchased.

Thank you for partnering with us to make our athletic events the best that they can be. We are proud of our Seguin ISD students. Our student behavior at athletic events should mirror their classroom behavior. As parents, please help keep our games safe and fun for all who attend.

Below is the price structure for our home football games.
