

Dear Seguin ISD and Seguin Community,

This year Seguin ISD students are hosting their first ever “SPUD Week”. SPUD Week is a week full of “students performing unselfish deeds” to raise money through a variety of events and fundraisers. It will take place May 27th through June 2nd. At the end of the week organizations within the community will receive the funds raised. This year’s recipients are Seguin Youth Services, and the Guadalupe Valley Family Violence Shelter. Both of these organizations dedicate their time and effort to enhancing and empowering the lives of those in our community.

SPUD Week possesses the potential to unite the entire community under one great cause. Not only will the recipients be blessed, but also every student that participates will be able to gain a deep appreciation for volunteering, and be able to recognize the massive amounts of potential they have to make the world a better place.

As part of this effort, we are have four fabulous events planned for the upcoming week. We appreciate the role you play in our district and community, and realize that it is only through the generosity of people like you that our event will be a success.

Attached is a schedule of events. Thank you for supporting our SPUD Week.
