Dear Seguin ISD family,

I hope this letter finds you well and safe while our school buildings are temporarily closed.

Seguin ISD remains dedicated to educating all of our students through remote learning opportunities during these times. However, we need your help.

Our records show that we have not been able to reach you during the past few weeks. Our principals and teachers would love to hear from you and work with your child to bring him/her up to date through online learning or paper packet assignments.

It is important that we keep our students learning and engaged in order for them to receive grades for their work and, at the high school level, earn credits.

Your child's principal and teachers are eager to help you and your student with lessons. I encourage you to contact them as soon as possible. You may also call the Matadors Matter Hotline at 830-401-8651 from 9 a.m.-3 p.m. Mondays-Fridays.

Estimada Familia del Distrito Escolar de Seguin,

Esperamos que esta carta los encuentre bien y seguros mientras nuestros edificios escolares se mantienen cerradas temporalmente.

El Distrito Escolar de Seguin se mantiene dedicado a educar a todos nuestros estudiantes mediante oportunidades de aprendizaje de distancia, durante este tiempo. Sin embargo, necesitamos su ayuda.

Nuestros archivos muestran que no hemos podido alcanzarlos durante estas pocas semanas. A nuestros directores y maestros les encantaría saber de ustedes y trabajar con sus niños. Los quieren tener al tanto sobre el aprendizaje en línea o por trabajos en paquetes.

Es importante que mantengamos a nuestros estudiantes aprendiendo y enfocados para que ellos reciban calificaciones de sus trabajos, y al nivel de la escuela secundaria, ganar créditos.

Los directores y maestros de sus niños están muy animados para ayudarlos y a sus estudiantes con sus lecciones. Los animamos que los contacten lo más pronto posible. También pueden llamar a la línea de asistencia, Cada Matador Importa, al número, 830-401-8651 de las 9 a.m a 3 p.m., de lunes a viernes.
