Why Do We Need to Realign Attendance Boundaries?

September 24, 2019

Why?

Student growth in portions of the school district

Balance enrollment as much as possible at elementary campuses

Align middle school campus enrollments

Provide space for more Pre K classrooms and special programs

Guiding Principles of Boundary Realignment

Efficient utilization of facilities

Transportation programs

Maintain neighborhood concept as much as possible at elementary (365 square miles)

Minimize student movement disruptions as much as possible (Long-term)

Balance enrollment to be within the "Preferred Functional Capacities" of campuses

Not include portables in functional capacity count at elementary campuses

Other Considerations

Strategic design implications

Student growth projections

Staffing costs

Implications and costs of special programs

Feeder patterns

Information on Last Realignment

Occured in 2009 for 2010-11 school year - Added Rodriguez and remodeled Ball ECC, closed Juan Seguin

District wide K-8

Opening of Rodriguez Elementary and Ball ECC and implementation of bilingual quadrants

Balancing of enrollments

Program equity and compliance

Other Realignment Topics

Grandfathering process for 5th and 8th graders as well as siblings.

Bilingual and Dual Language programs

Staffing plans

Demographics

Full year Pre K classrooms

Safety considerations

Realignment Process

September 2019- Gathering information regarding future programming, building capacity, and facility use

September 2019 board meeting presentation on process

October 2019 - Form a community committee of 2 parents from each PK-8 campus, 1 teacher and 1 administrator

November 2018 - Demographer Presentation with updates on housing and enrollment projections; collect input from committee members

November 2019 - Review and discuss boundary models; seek community input

December 2019 - Select model to present to board

January 2020 - Workshop to review, board meeting to approve

February 2020- create staffing plan for new boundaries; upgrade student information system

March/April- 2020 Notify parents of next years campus assignment
