

ECHS Student Application

School Information:

In January 2014, the Seguin Independent School District and Alamo Colleges – St. Philip’s College jointly created the Seguin Early College High School (ECHS). The Seguin ECHS has a primary goal of affording students from underrepresented backgrounds the opportunity to earn an Associate’s degree or 60+ hours. Students are able to earn college credit at no cost to them or their families. As a TEA (Texas Education Agency) designated campus, the Seguin Early College High School recruitment and enrollment processes shall identify, recruit, and enroll the subpopulations of at-risk students, first-generation college goers, and students of low socioeconomic status. ECHS campuses are required to recruit students of underrepresented backgrounds in an effort to increase opportunities for post-secondary success; however, we encourage students of all backgrounds to apply.

Seguin ECHS Student Creed:

I am responsible for my own actions.

I come with a clear mind and ready to learn.

I contribute to a safe, respectful and collegial community.

I am part of my own future.

I am going to succeed.

I am a Matador.
