Welcome to Seguin ISD! As a district, we value the important contributions of the families that live in our community who have ties to the military. We understand that children of military personnel are faced with numerous transitions and unique circumstances that may pose challenges to their learning and achievement. Seguin ISD is committed to supporting our military-connected students and their families to help ease the challenges encountered with frequent moves and provide support to promote the resiliency to cope with military life.

This webpage is designed to provide you with easy access links to helpful resources as you transition to your new duty station.
