Intervention Resource	Description
TIER I: Core Classroom Instruction	
<p>Big Day for PreK</p> <p>Grade PreK</p>	<p><i>Big Day for PreK</i> is a proven-effective comprehensive early-learning program that is organized into eight engaging and child-friendly themes. As the year progresses, the themes in this early-learning program broaden, and children begin to understand more about the world around them.</p>
<p>eCIRCLE Activity Collection (CLI Engage)</p> <p>Grade PreK</p>	<p>The CIRCLE Activity Collection translates the best early childhood development research into practice through a variety of hands-on activities that teachers can implement during large group, small group, centers, and one-on-one instruction. Language, literacy, social emotional skills, mathematics, and science are the core concepts covered in CIRCLE activities.</p>
<p>Texas Treasures</p> <p>Grades K - 5</p>	<p>This textbook adoption offers support of small group lesson plans and independent workstation activities that have manipulatives and visual resources to enhance student learning. Fiction and nonfiction readers that support science and social studies grade level content are included for your instructional support.</p>
<p>Comprehension Toolkit</p> <p>Grade K-6</p>	<p>The Comprehension Toolkit provides language and lessons for active literacy catering to the Figure 19 Comprehension TEKS. Students will learn a variety of reading strategies to monitor their comprehension, activate and connect prior knowledge, question the text, infer meaning, determine importance, and summarize and synthesize. There is a K-2 and a 3-6 version of the Comprehension Toolkit. Additional short expository readings are available in both English and Spanish.</p>
<p>Istation</p> <p>Grades PK-8</p>	<p>Istation provides research-based resources for the five components of reading.</p>

<p>Guided Reading</p> <p>Grades PK - 2</p>	<p>Part of the Fountas and Pinnell Professional Books Series. This book explains how to create a balanced literacy program based on guided reading and supported by read aloud, shared reading, interactive writing, and other approaches.</p>
<p>Write Source</p> <p>Grades 2 - 5</p>	<p>This textbook adoption is designed to help students master the key writing forms, writing process, Six Traits, and grammar, usage, and mechanics skills.</p>
<p>Spelling Connections</p> <p>Grades K - 5</p>	<p>This textbook adoption provides explicit spelling instruction to help students retain, internalize, and transfer valuable spelling knowledge for improved results in all areas of literacy.</p>
<p>Lucy Calkins Units of Study</p> <p>Grades PK - 5</p>	<p>This resource introduces the principles and methods that underlie high-quality writing instruction and details the classroom structures and instructional frameworks that characterize effective writing workshops. Ensuing chapters describe the architecture of mini lessons, conferences, and small-group strategy sessions. In addition to describing the management systems that make writing workshops rigorous and responsive, select chapters consider how to assess writers and use data to inform your instruction, how to support English language learners, and how the writing workshop can build on and support teaching throughout your literacy block and across the curriculum.</p>
<p>Holt McDougal Literature Texas</p> <p>Grades 6 – 12</p>	<p>Holt McDougal Literature is an anthology that provides selections in multiple genres designed to help English Language Arts students successfully meet the student expectations for Grades 6 through 12.</p>
<p>Florida Center for Reading Research</p> <p>Grades PK - 5</p>	<p>Online resource that contains Student Center Activities for use in kindergarten through fifth grade classrooms. Accompanying these Student Center Activities is a Teacher Resource Guide that offers important insights on differentiated instruction and how to use the Student Center materials.</p>
<p>Professor Garfield</p> <p>Grades K-8</p>	<p>Online resource that provides free innovative and motivational digital learning content with a primary emphasis on children's literacy and creative expression. Includes fun and educationally sound interactive activities and games where kids like to play -- on the Internet -- supplemented with standards-based resources for teachers, parents and mentors.</p>
<p>Readworks.org</p> <p>Grades 2 - 8</p>	<p>Online resource that provides research-based units, lessons, and authentic, leveled non-fiction and literary passages directly to educators online, for free, to be shared broadly.</p>

TIER II: Targeted Intervention OR TIER III: Intensive Intervention	
Istation Intervention Lessons Grades K-8	Istation provides research-based resources for focused intervention in the five components of reading.
Mentoring Minds Grades 2 - 5	This resource provides on- grade level passages with TEKS question stems to be used as you model thinking. This resource is not recommended to be used as independent practice. By utilizing open-ended questioning, a teacher is able to evaluate the student's understanding of a concept, the analytical thinking, and ability to use multiple-choice questions to analyze right and wrong elements of a concept. Great resource for small group think alouds, reteach and strategy work.
Comprehension Intervention Small Group Lessons for the Comprehension Toolkit Grades K-6	Created to follow each <i>Toolkit</i> lesson, these small- group sessions narrow the instructional focus, concentrating on critical aspects of the <i>Toolkit's</i> lesson strategy to reinforce kids' understanding, step by step. Using the language of the <i>Toolkits</i> in a small- group setting, <i>Comprehension Intervention</i> approaches each Toolkit strategy lesson in a new way and with new texts and breaking down the original Toolkit instruction into smaller steps, making learning more accessible for students receiving Tier 2 interventions. There is a K-2 and a 3-6 Comprehension Intervention small- group book.
Scaffolding for ELL from the Comprehension Toolkit Grades K-2	Scaffolding The Primary Comprehension Toolkit for English Language Learners provides additional lessons for ELL students in the areas of vocabulary and language structure.
Texas Portals for Reading Grades 6-8	The Texas <i>Portals</i> ELD program, for struggling readers in Grades 6-8, is a stand-alone intensive intervention reading/language arts program that addresses the needs of students who are two or more years below grade level. The program provides an approach that helps the adolescent learner read with confidence and understanding, communicate his or her knowledge, and develop a lifelong habit of reading.
After the Bell Grades 1 – 8	After the Bell is an easy-to-teach, research-based, and results-oriented summer or extended-day curriculum developed especially for the challenges and time pressures you face in any classroom situation.

<p>Measuring Up</p> <p>Grades 3 – 5, 8</p>	<p>Assessment, instruction, and practice materials, print and internet-base are created for the TEKS. These resources teach and support the standards as well as prepare students for the rigorous STAAR assessments.</p>
<p>Language Power</p> <p>Grades K - 2</p>	<p>A flexible and portable solution that helps educators tackle the unique challenges that English language learners pose. This highly differentiated and rich instruction resource is anchored by a dynamic, level-appropriate text set that provides rigorous instruction in the four language domains: listening, speaking, reading, and writing.</p>
<p>Essential Reading Strategies for the Struggling Reader</p> <p>Grades K - 6</p>	<p>This booklet contains 62 research-based example activities for supplementary intervention in fluency, phonological awareness, instructional reading, and word analysis and spelling. After initial instruction, many of these can be adapted for use in learning centers.</p>
<p>Supplemental Instruction for Struggling Readers, Grade 3: A Guide for Tutors</p>	<p>This manual provides examples of research-based supplemental intervention lessons designed for at-risk elementary students. Fluency, word study, instructional reading, and writing are integrated into each lesson.</p>
<p>Vocabulary and Comprehension: Effective Upper-Elementary Interventions for Students with Reading Difficulties</p> <p>Grades 3-6</p>	<p>Developed with funds from The Meadows Foundation, this booklet provides a set of reading comprehension strategies that upper-elementary students can learn to use before, during, and after reading. It provides detailed instructional routines that can promote student engagement with expository text, particularly for struggling students.</p>
<p>Meeting the Needs of Struggling Readers: A Resource for Secondary English Language Arts Teachers</p> <p>Grades 6-12</p>	<p>This resource contains a collection of activities and strategies designed to support high school students struggling with language arts and reading.</p>
<p>Effective Instruction for Middle School Students with Reading Difficulties: The Reading Teacher’s Sourcebook</p> <p>Grades 6 - 12</p>	<p>This resource contains an overview of research-based instructional strategies for teaching adolescent students who struggle with reading.</p>
<p>Word Recognition and Fluency: Effective Upper-elementary Interventions for Students with Reading Difficulties</p> <p>Grades 3 - 6</p>	<p>The intervention lessons in this booklet can help struggling students build word recognition and fluency skills in a systematic and cumulative fashion.</p>
