

**Seguin ISD  
Agenda for Vision 2013 Action Planning Team Meeting  
May 15, 2013**

The Action Planning Committee is charged with developing action plans related to the original Findings and Directions. The committee members will

- recommend activities related to each of the Findings and Directions
  - recommend any new Directions
  - include estimated costs
  - recommend sequence for implementation
1. Review work of developing action plans
    - One direction = one action plan
    - One direction = no action plans
    - Two directions = one action plan
    - Direction that needs input from or belongs to another team
    - Directions that require facilities = action plan for what can be done without new facilities
  2. Process
    - Review work done
    - Research
    - Think outside the box – don't just say "continue to..."
    - What are our best ideas
    - Not a plan to plan
  3. Developing Action Plans
