

SEGUIN

Independent School District

Seguin ISD Agenda for Vision 2013 Action Planning Team Meeting May 22, 2013

The Action Planning Committee is charged with developing action plans related to the original Findings and Directions.

The committee members will

- recommend activities related to each of the Findings and Directions
- recommend any new directions
- include estimated costs
- recommend sequence for implementation

1. Review work of developing action plans
 - If we complete all of these action plans, will we accomplish the Findings and Directions in this area?
 - Are all of the action plans necessary to accomplish the Findings and Directions?
 - Do we need to recommend any new directions?
 - Can you describe a single purpose of each action plan? If not, it may need to be more than one plan
 - Can the person who is assigned to implement this action plan understand our intent, yet have we left the details to them to plan?
2. Developing Action Plans
 - Must complete generating and capturing ideas for plans tonight
