

SEGUIN

Independent School District

Seguin ISD Agenda for Vision 2013 Action Planning Team Meeting May 9, 2013

1. Review Charge for Committee and Timeline for Work
 - The Action Planning Committee is charged with developing action plans related to the original Findings and Directions. The committee members will
 - recommend activities related to each of the F&D's
 - recommend any new directions
 - include estimated costs
 - recommend sequence for implementation
 - 3 meetings to develop plans
 - Last meeting to review, revise and sequence plans

2. Review work of developing action plans
 - One direction may have one action plan
 - One direction may not need any additional action
 - Two directions together with one action plan
 - Direction that needs input from or belongs to another team
 - Directions that require facilities
 - May need to do research to decide what needs to be added
 - Are there new directions that need to be recommended?

3. Developing Action Plans
